DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

CONCORD, NEW HAMPSHIRE

March 15, 1941

CERTIFICATE OF AUDIT

This is to certify that we have audited the accounts and records of the City of Nashua, New Hampshire, for the fiscal year ended December 31, 1940, and found them correctly cast and properly vouched.

We submit our report herewith in the form of Exhibits and Schedules which, in our opinion, reflect the financial condition of the City as of December 31, 1940, and together with the comments submitted herein, will interpret the results of operation for the period under review.

Respectfully submitted,

HAROLD G. FOWLER, Director,
Division of Municipal Accounting,
State Tax Commission.

NOE ALLARD, Auditor,
ALAN R. MATTHEWS, Accountant.

RESOLUTION
RELATIVE TO THE PRE-PAYMENT OF TAXES FOR THE YEAR 1940
CITY OF NASHUA

IN THE YEAR OF OUR LORD ONE THOUSAND NINE HUNDRED AND FORTY

RESOLVED, By the Board of Aldermen of the City of Nashua:

That the Tax Collector of the City of Nashua, in accordance with and by authority of Chapter 66, Section 43, of the Public Laws of New Hampshire, be and hereby is empowered to allow a discount of 1940 taxes for pre-payment of said taxes, such discount to be at the rate of two and one-half per cent per annum from date of payment to December 1, 1940, but no discount shall be allowed for pre-payment after November 1, 1940.

Pre-payments may be made before, as well as after, the assessment of taxes for the year 1940, discounts to apply on partial or total pre-payments.

In the event the amount prepaid by a tax payer exceeds the 1940 assessment when made, said tax payer shall receive a rebate of the amount overpaid on said tax.

Further, in the event that the tax assessment for 1940 is more in amount than the pre-payment made, said tax payer shall be charged the additional amount due.

RESOLUTION
AUTHORIZING HIS HONOR, MAYOR EUGENE H. LEMAY, TO EXECUTE FOR AND ON BEHALF OF THE CITY OF NASHUA THE WITHIN DESCRIBED INSTRUMENT
CITY OF NASHUA

IN THE YEAR OF OUR LORD ONE THOUSAND NINE HUNDRED AND FORTY

RESOLVED, By the Board of Aldermen of the City of Nashua:

That His Honor, Mayor Eugene H. Lemay, be and he is hereby authorized to execute for and on behalf of the City of Nashua the following instrument:

KNOW ALL MEN BY THESE PRESENTS:

WHEREAS, the City of Nashua by Eugene H. Lemay and under corporate seal of said City has executed a warranty deed to John Hunkins, dated May 7, 1940, to be recorded in the Hillsborough County Registry of Deeds, and

WHEREAS, there appears to be a mortgage from Caroline H. Lunt to George H. Campbell dated August 30, 1876, and recorded in volume 429, page 177, of the Hillsborough County Registry of Deeds in the amount of $1,000.00 covering part of the premises conveyed in the above described deed from the City of Nashua to said John Hunkins, and

WHEREAS, diligent search has been made and the heirs and/or assigns of George H. Campbell cannot be discovered and it appears that said mortgage has in fact been discharged.

NOW THEREFORE, full warranty covenants are nevertheless given in said deed from said City of Nashua to said Hunkins in full contemplation of the existing outstanding undischarged mortgage as

described above, and further the said City of Nashua by its Mayor, Eugene H. Lemay, duly authorized by Resolution of the Board of Aldermen passed and adopted on the 7th day of May, 1940, a certified copy of which is hereunto annexed and made a part of this instrument, agrees to indemnify and hold harmless, on account of said mortgage, the said Hunkins and his heirs and assigns forever.

Passed—May 7, 1940
EDWARD R. BENOIT,
President.

Approved—May 8, 1940
EUGENE H. LEMAY,
Mayor.

RESOLUTION

AUTHORIZING HIS HONOR, MAYOR EUGENE H. LEMAY, TO EXECUTE FOR AND ON BEHALF OF THE CITY OF NASHUA TO JOHN HUNKINS OF BOSTON, COMMONWEALTH OF MASSACHUSETTS, A CERTAIN RELEASE

CITY OF NASHUA

IN THE YEAR OF OUR LORD ONE THOUSAND NINE HUNDRED AND FORTY

RESOLVED, By the Board of Aldermen of the City of Nashua:

That His Honor, Mayor Eugene H. Lemay, be and he is hereby authorized to execute for and on behalf of the City of Nashua with the approval of the Lands and Buildings Committee to John Hunkins of Boston in the County of Suffolk and the Commonwealth of Massachusetts, the following described instrument:

RELEASE

KNOW ALL MEN BY THESE PRESENTS that the City of Nashua, a Municipal corporation in the County of Hillsborough and the State of New Hampshire by Eugene H. Lemay, its Mayor, duly authorized by a resolution of the Board of Aldermen of said City of Nashua passed on the twenty-eighth day of May, 1940, for and in consideration of the sum of one dollar ($1.00) and other valuable consideration to it paid by John Hunkins of Boston in the County of Suffolk in the Commonwealth of Massachusetts, the receipt whereof is hereby acknowledged, does hereby release to said John Hunkins a certain building restriction regarding the dimensions of any building or buildings to be erected, contained in a certain Warrantee Deed from said City of Nashua to said John Hunkins, dated May 7, 1940, and recorded on May 18, 1940, in Vol. 1001, Page 270, of the Hillsborough County Registry of Deeds, to the extent and under the conditions as hereinafter set forth:

Provided the main outside front wall of any building or buildings erected during the term of the restriction, on the premises described therein, to wit, the old City Hall and Municipal building sites, so-called, runs a full two stories in height from the northwest corner of said premises to the northwest corner of the Odd Fellows Building Association building as it now stands; then the right is hereby given to set back, from the Odd Fellows Building, the second story of said building or buildings a distance of five feet to the north behind the main outside front wall of said building or buildings and for the entire depth thereof for the purposes of a light well.

The said restriction in all other terms and respects except as hereby specifically released is to remain in full force and effect.

In witness whereof the said City of Nashua has hereunto set its hand and corporate seal by its Mayor, Eugene H. Lemay, duly authorized this 28th day of May, 1940.

Signed, sealed, and delivered in the presence of
.....

RESOLUTION
RELATING TO LOTS 100 AND 101 ON SHEET 118 OF THE ASSESSORS' MAPS OF THE CITY OF NASHUA, LOCATED ON MOUNTAIN VIEW AVENUE
CITY OF NASHUA

IN THE YEAR OF OUR LORD ONE THOUSAND NINE HUNDRED AND FORTY

RESOLVED, By the Board of Aldermen of the City of Nashua:

WHEREAS, on June 25, 1940, a resolution was passed authorizing His Honor, Mayor Eugene H. Lemay, to convey lots 100 and 101 on Sheet 118 of the Assessors' Maps of the City of Nashua located on Mountain View Avenue, to John O. Baxter and Violet P. Baxter.

WHEREAS, a search of the records of the title of said lots showed that on July 22, 1922, Samuel Dearborn, the Tax Collector for the City of Nashua, by authority of a resolution passed by the Board of Aldermen on the 11th day of July, 1922, and approved by the Mayor on the 13th day of July, 1922, conveyed said lots 100 and 101 on Sheet 118 on Mountain View Avenue to one Exilda Nutter.

WHEREAS, said deed is probably in some parts defective because it is a tax collector's deed instead of a quitclaim deed.

WHEREAS, nevertheless, the said Exilda Nutter probably has good title to said lots.

NOW, THEREFORE, BE IT RESOLVED by the Board of Aldermen of the City of Nashua that the resolution authorizing the Mayor to convey said lots 100 and 101 on Sheet 118 on Mountain View Avenue to John O. Baxter and Violet P. Baxter passed June 25, 1940, be and is hereby rendered null and void.

AND, BE IT FURTHER RESOLVED that His Honor, Mayor Eugene H. Lemay, be and he is hereby authorized to execute for and on behalf of the City of Nashua to said Exilda Nutter a quitclaim deed to said lots 100 and 101 on Sheet 118 on Mountain View Avenue in confirmation and to obviate any defects which might be contained in the previous deed to said Exilda Nutter to said lots executed by Samuel Dearborn and dated July 22, 1922, and recorded in the Hillsborough County Registry of Deeds in Volume 893, page 230.

Annual Report of Fire Commissioners

To the Honorable Mayor and Board of Aldermen:

Gentlemen:

We respectfully submit to you the Report of the Fire Department for the year ending December 31st, 1940.

The Board of Fire Commissioners, consisting of W. A. Malloy, E. I. Dubois and W. E. Grant, met on January 1st, 1940 and organized by electing W. A. Malloy, Chairman; E. I. Dubois, Purchasing Agent; W. E. Grant, Clerk.

Fire Prevention Week, October 13th to 20th, was observed in a fitting manner.

INSPECTIONS BY THE DEPARTMENT

The Officers of the respective Districts continued their inspections of buildings and surroundings to guard against the accumulation of rubbish and inflammable materials which might be the cause of fires. The Merchants and Property Owners have co-operated with the Department whole-heartedly and we wish to thank them for their support.

These inspections allow the Officers of their respective districts to familiarize themselves as to the nature of the contents and the construction of the different buildings.

FIRE ALARM BOX INSPECTIONS

All Fire Alarm Boxes in the City are inspected once a month and a written report is sent to the Board of Fire Commissioners signed by the Deputy-Chief making the inspection.

FIRE ALARM TELEGRAPH SYSTEM

The Fire Alarm System is in good working condition as a modern up-to-date switchboard was installed during the year in Fire Alarm Headquarters, which is a fire-proof vault. There is still chance for greater improvement by replacing the old boxes on the streets, some of which have been in service since 1886. Some of the more modern boxes were brought into the most hazardous Districts to protect them until they could be replaced by other of the latest type boxes. This will have to be done sooner or later as the old boxes have become worn out through age and use and cannot be depended upon to transmit the calls correctly.

In conclusion we wish to thank His Honor the Mayor, the Members of the Board of Aldermen, the Board of Public Works, the Board of Police Commissioners, and the Members of the Police Department, the Employees of the Telephone Company and the Public Service Company, the Captain of the Salvation Army and his band of loyal workers, for their co-operation and interest in our department.

The Officers and Members of the Fire Department have our commendation and sincere thanks for the efficient and faithful manner in which they have performed their duties.

Respectfully submitted,

W. A. MOLLOY,
E. I. DUBOIS,
W. E. GRANT,
Fire Commissioners.

Report of the Board of Public Works

December 31, 1940

To His Honor Mayor Lemay, and Members of the Board of Aldermen:

GENTLEMEN:

The report of the Board of Public Works for the year 1940 is hereby submitted.

ASPHALT PAVEMENT

4,146. sq. yds. of asphalt pavement were constructed on Ledge St. from Second St. westerly. Primary work on this project was done with W.P.A. workers and the finish work was done with City workers.

SIDEWALKS

9,636. sq. yds. of cement concrete sidewalks were constructed as a W.P.A. project. This is equal to 3.28 miles of walk, five feet wide.

SEWER CONSTRUCTION

9,249.9 linear feet of sewer were constructed as W.P.A. projects. This is equal to 1.75 miles of sewerage.

In addition to the above we have constructed seventy-three manholes and forty-three catch basins. Eighty-six houses and buildings were connected to our sewerage system.

CITY BARN

We have during 1940 disposed of our horses. We have rebuilt our barn into a garage capable of storing twelve cars or trucks. Doors were installed on the south side of the building and approaches were built with cement concrete. A new entrance to the yard was built at the corner of Dearborn St. and Tyler St.

CLASS V ROADS

We have done considerable work on our Class V roads during the year. We were allotted over sixteen thousand dollars by the State for this work. We have used some W.P.A. workers on this project and have benefited accordingly.

MAINTENANCE

Our maintenance of streets and sewers, collections of rubbish and paper, snow removal and sanding and miscellaneous other work have been carried out as well as possible.

NEW EQUIPMENT

During the year we have purchased much needed equipment, a list of which follows:

Two five-ton trucks
Power grader and Scarifier
Air compressor
Snow loader
Winch and crane which we mounted on our Mack truck
We have also purchased considerable rock drilling equipment for use on the South End sewer project.

W. P. A. PROJECTS

We have as in the past sponsored most W.P.A. projects in the City during the year. Cost to the City varies according to the number of workers employed, which in turn is dependent on the number of unemployed.

We have operated a street project. Streets were graded and gravelled and made ready for tarring. Streets torn up for sewer work were rebuilt in the same way.

The sidewalk project was carried out with a large crew. Walks were put in at a cost of only seventy-five cents per sq. yd. to the abutters. We have received many more applications than we were able to construct.

The largest portion of the W.P.A. workers were employed on sewer work. Work on the South End sewer system started during the administration of Mayor MacMaster was carried on. In addition, we have constructed many extensions in different sections of the City.

Nashua, New Hampshire, February 4, 1941

To His Honor, the Mayor, and Board of Aldermen, City of Nashua, New Hampshire:

Following is a detailed report of the activities on the part of the Zoning Board of Adjustment for the year 1940.

Frequent meetings were held throughout the year, followed by personal viewings of all property involved in the petitions—and decisions were carefully rendered within the spirit of the Zoning Ordinance and with the added incentive of being of all possible assistance and help to petitioners.

Occasionally questions of legal status were submitted to the City Solicitor, who rendered prompt and courteous co-operation to the Board. Likewise, the Board takes this opportunity to mention the efficient work performed by the Administrative Officer.

Nashua, N. H., January 22, 1941

To His Honor, the Mayor, and Board of Aldermen, City of Nashua, New Hampshire:

GENTLEMEN:

Submitted herewith is the Annual Report of the Administrative Officer of the Zoning Ordinance for the year ending December 31, 1940.

The number of building permits issued was	358
The number of conforming certificates issued	334
The number of non-conforming certificates	45

The following is a tabulation of permits issued for the various types of construction; this minus the number not constructed or started, and many permits issued during the latter part of the year were not started during 1940, represents the type and amount of new construction for the year.

Outdoor Incinerator	1	0	1
Addition and Alteration to Theatres	1	0	1

As shown by the tabulation, the year was a successful one for new construction; there was an increase of 18% in new single residences and 33% increase in two family residences over the year 1939.

Many existing buildings were altered into apartments, thereby creating 56 new housekeeping units, plus the new construction, amounts to 182 new housekeeping units for the year.

A very substantial gain was made in the business and industrial construction, some of which are:—Nashua Building Company Block, Neverett Salesroom and Garage, Polish American Citizens Club, Towers Motor Parts Building, addition to J. F. McElwain shoeshop, Johns-Manville plant, First National Supermarket and the remodeling of the Park Theatre.

The administration of the Zoning Ordinance has required attendance at all meetings, public hearings and viewings, also considerable clerical and plan work in connection with the issuing of building permits and certificates of occupancy.

The willing assistance of the City Solicitor in matters of interpretation, opinions and violations has been greatly appreciated.

Respectfully submitted,

FRED L. CLARK,
Administrative Officer,
Zoning Ordinance.

Report of the Board of Examination of Plumbers

Nashua, N. H., January 15, 1941

To His Honor, the Mayor, and Board of Aldermen, City of Nashua, New Hampshire:

Gentlemen:

Submitted herewith is the annual report of the Board for the Examination of Plumbers for the fiscal year ending December 31, 1940.

The membership of the Board was composed of the following:—Master Plumber John P. Nash; Journeyman Plumber Eugene L. Carrier, both men with many years of practical experience, and Fred L. Clark, City Engineer.

The Board was organized with Eugene L. Carrier as Chairman and Fred L. Clark as Secretary and Plumbing Inspector.

In accordance with our regulations, stated meetings were held each month, and special meetings, at which times written and practical examinations were conducted to determine the fitness of applicants for plumbing licenses, were held as often as necessary.

During the year 1940 there were licensed by this Board, forty-one (41) Master or Employing Plumbers and fifty-four (54) Journeyman Plumbers.

A total of 525 plumbing inspections were made during 1940 which represents inspections in 314 different buildings. This was in keeping with the increased building program.

There is urgent need of having pamphlets printed containing our local and State Board of Health requirements governing plumbing, for distribution to Plumbers, Architects, Building Contractors and Health Officials.

During the past year, the plumbers as a whole, have shown a desire and willingness to co-operate with us, and there were fewer violations than in the past, and the affairs of the Board have operated in a satisfactory manner.

Following is the Board's Financial Statement:—

Appropriation for 1940	$75.00	
Renewal of 89 licenses @ .50	44.50	
New licenses issued, 6 @ 1.00	6.00	
		$125.50

Expenditures

Printing license books	$4.75	
License money turned in to City Treasurer	50.50	
Unexpended 1940 appropriation	70.25	
		$125.50

Respectfully submitted,

EUGENE L. CARRIER, *Chairman.*
JOHN P. NASH,
FRED L. CLARK, *Secretary.*

Report of the Superintendent of Parks

To the Park Recreation Commission:

GENTLEMEN:

The year 1940 was marked by several important changes. The old Park Commission functioned until March 1. At that time a new Commission of five members was appointed to act both as Park and Recreation Commissions, thus combining the two departments in one. Also the Holman Stadium Commission having been abolished by the Board of Aldermen, the administration of that department was added to the duties of the new Board.

The skating rinks were conducted by the old Recreation Commission as in the past during the months of January and February. Five rinks were operated at a total cost of $2,742.78.

Five playgrounds were operated for nine weeks. Norman Pelletier was employed as supervisor and Natalie Gidge as handicraft instructor. A boy and a girl were in charge at each playground. The season was ended with a track meet at Holman Stadium and a picnic at Cobbett's Pond for each playground. The total cost was $1,440.68 of which $660.00 was contributed by the National Youth Administration in bearing a part of the payroll.

The Municipal Swimming pool was operated for the same length of time with a supervisor, a woman attendant and two life guards. The season ended with a water carnival in charge of Supervisor John Coffey.

A fireworks display at the Holman Stadium scheduled for July 4, but postponed to July 7, was sponsored by the Park-Recreation Commission and returned a net profit of $339.62.

The Holman Stadium was operated at a total expense of $2,612.93. In addition to this the National Youth Administration contributed 1200 hours labor valued at 360.00. Receipts of $1,398.81 reduced the net cost to $1,214.12. The establishment of a minimum rental fee of $15.00 eliminated the unprofitable games. Considerable landscape planting was done at the Stadium and the Amherst Street School. With the assistance of the W.P.A. a fence was erected along Sargent's Avenue from Amherst Street to the Stadium entrance.

The Works Progress Administration completed the tree repairs and stump removal necessitated by the hurricane of 1938. By utilizing funds provided by the Mary P. Harris bequest they also completed the grading and seeding of about five acres of lawn east of Concord Street. They built a 30′ x 40′ two story storage shed, making use

of hurricane lumber, so that we have a $2,000.00 building at a cash outlay of about $400.00 for paint, hardware, roofing and cement. This was much needed as our other buildings were overcrowded even before we took over the equipment of the Recreation Commission. They also made alterations to the shop building, built retaining walls and fences and planted many trees and shrubs.

The Harris bequest improvements are now practically complete as the money has all been used except $23.20 which will be needed to do some reseeding in the Spring of 1941. Much more has been accomplished with this fund than would have been possible if a W.P.A. project had not provided most of the labor so that more money was available for materials and truck hire. This development has more than doubled the lawn area to be maintained at Greeley park. Both sides of the street are now equally attractive and attention is directed to the Ira F. Harris memorial in the burial ground of the early settlers.

Our general park maintenance was somewhat neglected due to several unavoidable factors. A backward Spring and the necessity of making extensive repairs to the playground equipment which was dumped onto us just before the opening of the season, as well as the added burden of operating the Stadium, swimming pool and playgrounds and the care of the new City Hall grounds and the hedges at the Public Library. Also the oversight and assistance required by the W.P.A. project. However, on the whole I feel that we made a very creditable showing.

Respectifully submitted,

/s/ WM. R. KIRKPATRICK.

Report of the City Solicitor

March 24, 1941

To His Honor, the Mayor, and Board of Aldermen:

GENTLEMEN:

I submit the following report for the year ending December 31, 1940.

Many of the Department Heads were advised by your Solicitor.

Numerous opinions were rendered to the Board of Aldermen.

Prosecutions in the Municipal Court were handled by me during the year.

After many months of negotiations all technicalities surrounding the sale of the old city hall site were resolved and the final papers drafted and the sale consummated.

The case of ex-chief Irving F. Goodwin against the City for his salary while under suspension was tried and resulted in a non-suit for the City from which an appeal was taken.

Respectfully submitted,

EDWARD J. LAMPRON,

City Solicitor.

Report of the City Physician

To His Honor, the Mayor, and the Board of Aldermen:

GENTLEMEN:

Following is the report of the services rendered by the City Physician during the year 1940:

Examinations for pensions	7
Number of patients hospitalized	139
Total number of hospital days	1,715
Hospital visits, approximately	1,500

Respectfully submitted,

RICHARD T. MULVANITY, M.D.,
City Physician.

Report of the Airport Commission

To His Honor, the Mayor, and Board of Aldermen, City of Nashua, New Hampshire:

GENTLEMEN:

The past year has been an unusually active one in aeronautics at the Municipal Airport; Nashua having participated to a large degree in the National Defense Program; the facilities of the field and hangar have been used almost exclusively in connection with the Civil Aeronautic Authority's Pilot training programs. Both the primary and secondary courses have been conducted under the supervision of Manager Hartman and Lieut. A. A. Goldsmith; the various stages of the programs have been completed on scheduled time and the percentage of students that have successfully passed the required ground school and flight training requirements of the Civil Aeronautics Authority has been unusually high. This reflects great credit upon the instructors and the facilities which were made available to them. These programs and the equipment used in connection with them are closely supervised by Government officials who have had the close cooperation of the instructors, Saint Anslems' College officials and the airport commission.

There were thirty primary students instructed and twenty-eight graduated during the summer course; this represents 2,088 hours of ground school instruction and 1,020 hours of flying time. In the fall course, which is soon to be completed, there were fourteen students who took 1,008 hours of ground school and flew approximately 250 hours during 1940. The number of secondary training students is ten, and to date three have completed the course; five have completed "C" stage and two "D" stage. This represents 1,260 hours of ground school and 306 hours of flying.

These students and graduates are of the highest type physically and mentally and are available for further training and service by the Government. Already several of these graduates have been accepted and called for service as Cadets in the Army Air Corps. Besides these training courses there were 500 hours of private flying instruction given. A total of fifty-four students have taken training under the Civilian Pilot Training Program. Because of enforcement of safety rules there have been no serious accidents.

Leases have been drawn between the Commission and the Government, by the terms of which, the offices, dormitories and workshop can be used by the National Youth Administration. This property which is a part of the Airport could well be utilized for any one of

many programs conducted by the Government. Because of the City's partial sponsorship of the N. Y. A. program, trucks and cars and the labor for repairing and servicing same are available to various City Departments.

With the funds available only minor maintenance, sufficient to keep the field and hangar in safe and usable condition, has been possible. The hangar has been crowded to capacity, approximately twelve planes have been hangared during the year. We regret that lack of sufficient space forced the two Glider Clubs to seek new locations; and also as a safety measure the Nashua Cloud Chasers, builders of model planes, had to find a new location for their flying meets. With the Federal Government taking over so many of the established airports throughout the country for defense purposes, there seems to be a tendency to crowd out private and commercial flying, and we believe it will make more necessary Municipal Airports such as ours; there is need for more hangar space and further development of the field.

Following is the financial report:

INCOME OF AIRPORT COMMISSION FOR 1940

Appropriation	$1,400.00	
Hangar rental	409.64	
Gasoline	1,345.86	
Oil	2.90	
		$3,158.40

EXPENDITURES OF AIRPORT COMMISSION FOR 1940

Report of Librarian

To the Trustees of the Nashua Public Library:

The report of the Librarian for the year 1940 is herewith submitted.

The thoughtfulness, generosity and interest expressed by friends of the library with the many gifts of books, magazines, newspapers, pictures, flowers, plants, etc., during the year has been much appreciated. It is a pleasure to extend thanks to all those who have helped increase the library's usefulness as well as its attractiveness. Two hundred and forty-five gifts of books and pamphlets have been received.

Library service has been given to 10,000 registered borrowers and to many others who have used material in the building. While we cannot compete with the Concord Public Library which has had the remarkable circulation of 217,396 during the first year in a new building, one of the most attractive in New England, our record shows a home circulation of 201,732, a gain in the adult department of 3,844, but a loss of 1,820 in the Children's Room and 905 at Crown Hill. This lowers the total gain to 1,119. There was an increase of 1,849 in non-fiction and a loss of 730 in fiction.

Circulation in the Children's Room was 40,172 and at Crown Hill, 16,177. Foreign books given out, 2,770, a gain of 260. Average daily circulation in all departments, 667, a gain of 5. Per capita circulation 6.1, based on the 1940 city census. Readers in the building borrowed 11,586 books and magazines for study and recreation given out over the desk. This was an increase of 2,064 over 1939.

Total book additions, 2,236. Of these, 1,978 were purchased, 197 gifts were catalogued and 61 added by binding. There were 233 replacements and 80 additions to the reference shelves. One thousand seven hundred and sixty-six were added to the adult department, 470 to the Children's Room and 171 to Crown Hill. Discards amounted to 1,288 making an increase of 948 volumes for the year or 51,798 in the library, December 31.

Magazines circulated in all departments amounted to 15,254. The divisions are rather interesting. The main library gave out 10,765, children's room, 3,181, and Crown Hill, 1,308. Certainly our patrons appreciate to the full the generous selections of magazines. Back numbers are invaluable for reference, also.

Historical novels have been published freely and are popular. Never has there been a greater demand for mysteries and the supply of light fiction is never adequate. "When I am tired after a hard day's work, I want something light," is often heard.

Books sent to the schools according to grades numbered 999. The Crown Hill library has also done its part in cooperating with the schools in that vicinity by providing outside reading. Story hours were conducted as usual with the total attendance of 205 in the children's room and 80 at Crown Hill. Instruction in the use of the library which is an annual feature to sixth grade pupils was given to 291. Several hundred books have been sent to the high school library for supplementary work, and to individual teachers as requested. The Mary E. Hunt Home and the Home for Aged Women have had a share of pleasure and recreation in the regular loan of library books.

It is hoped the library will be better equipped to spread book news in the future with the aid of a duplicator in the making of lists on various subjects for distribution. No printed catalog or library bulletin, for which many inquiries have been made, has long been a handicap.

The monthly exhibitions have been confined largely to local and New Hampshire artists.

A city directory service was established in October through the cooperation of the H. A. Manning Co., of Springfield, Mass., publishers of the Nashua directory as well as many others. It is expected there will be around a hundred available for reference covering northeastern United States and many larger cities in distant sections. These volumes will be more accessible than formerly and should meet a real need. The only cost to the Library is express on volumes received.

It is a pleasure, always, to plan for an exhibit of new books in observance of Book Week in November of each year, as our patrons look forward to the privilege of browsing. During the five days when books were on display in all departments, 1,200 visitors were counted. Five hundred and eighty-nine reserves were taken on adult titles, 342 of these were free, and yet some people say that they can never find anything in this library. Mrs. C. H. Babitt gave an interesting talk to a large group of children during the week on "Indians of the Southwest" and showed many articles of Indian craft.

Three extra helpers have been furnished by the National Youth Administration in the Children's Room, each working for a limited number of weeks, also one in the adult department under the WPA until the latter part of the year when the project closed.

Your librarian attended the annual conference of the American Library Association which was held in Cincinnati the last of May. The very wet weather dampened the enthusiasm of some 2,000 delegates. New Hampshire was well represented with nine other librarians and one trustee. In 1941, Boston will have the honor of entertaining this Association.

The annual meeting of the New Hampshire Library Association was held at the Keene Normal School in September. Every member of the staff attended one full day and evening, others the entire program, which was a hundred per cent record, and one that is seldom obtained. Elizabeth Spring has been appointed State publicity chairman of the Association; Ida Putnam, chairman of the membership committee in this district; and Marion Manning, chairman of the membership division of library work with children.

American librarians are alive to their responsibilities in the National Defense Program. I quote in part from a statement adopted by the American Library Association Council at a meeting held in December. "The American Library Association believes it is a privilege and duty of every library and library agency to make its books and services contribute in all possible ways to the preservation and improvement of the democratic way of life. Each one should make its services indispensable to its own community and to the country; and each member of every library board and staff must share the responsibility. A generous provision of books and services in all aspects of current problems and their historical antecedents is a major obligation of the library in times like these."

In the Nashua Library, requests for books on the different mechanical trades, shop work and all types of useful arts have increased rapidly, as well as titles on democracy, the European situation, military tactics and all phases of national defense. This demand must be met even if other classifications are necessarily limited because of insufficient funds.

The librarian expresses her appreciation to the Telegraph Publishing Co., the Chief of Police and Officers, to Edward R. Hartwell, to the members of the Library staff and Board of Trustees for their excellent cooperation during the year.
